[‘Autobahn’: Taking a ride in a chrome-bumper hipster 911](#)

Lead

Another day, another hand-built Porsche 911 video complete with groovy soundtrack. So what’s wrong with that? This time, a stripped-to-the-minimum silver 911 is driven from its home in the city to the countryside. And through a tunnel – we like that bit.

Stretch back in your Eames lounge chair, rest your Red Wing chukkas on the ottoman and enjoy the ride.
